

St. Louis

Mentor Resource

The Mentor Process Highlights

- 1 Receive advice and guidance from professionals knowledgeable about current tools, tactics, and resources available to job seekers and with 5+ years experience in recruitment and selection.
- 2 The administrator will match Mentees and Mentors, and provide contact information.
- 3 The Mentee should reach out to the Mentor to begin the relationship.
- 4 The Mentee and Mentor should remain available to each other and continue the relationship as committed, typically for approximately 2 months.
- 5 The Mentee or Mentor should contact the administrator if a reassignment is needed for any reason.
